## SHRI GOVIND GURU UNIVERSITY

Dear colleague,

I am happy to inform you that the Vice-Chancellor, Shri Govind Guru University appoints you as Examiner for conducting M.Sc. Sem.-1 Chemistry Practical Examination Jan-2017. Please find herewith some important information for you.

1. Please collect the examination slips and other materials from the respective principal/ head of the department of the college. If any slip is missing or the number of copies is not sufficient, you are requested to ask the concerned person required
2. The first named examiner is the External examiner of the group who will be responsible to give general guidance to his colleagues to conduct examination in the proper manner. He will also be responsible to send all the documents (answer book, mark sheets, etc.) to the university. please submit the mark sheet in the University within maximum duration. Please inform students well in advance about their examination.
3. The colleges where the practical examinations are to be held are requested to supply good quality instruments and calibrated apparatus including burettes, pipettes, measuring flasks etc. A necessary certificate should be obtained from the laboratory supervisor before the commencement of the examination.
4. Examiners should check and mutually verify the marks on the answer book as against entered in the mark sheet. The mark sheet should be signed by all the examiners of the group.
5. Examiners should go round and initiate the volumetric reading, dry test in the inorganic qualitative analysis, the reading in organic estimation and physico chemical exercise.
6. For examining a candidate out of turn, instruction to chairman or concerned person of the university.
7. The dignity of the university examination should be observed and born in mind that no outsider should enter the laboratory and expert working place.
8. The examination consists of 4(four) chemistry practical to be completed in 14 Hrs (i.e. 2 days - 7 Hrs each day). The examination should begin at 10.30 am and continue up to 6.00 pm with a recess of 30 minutes from 2.00 to 2.30 pm.

**Division of batch and the distribution of the practical to candidates:**

Candidates of each batch are to be divided in the following groups:

OR Change the Group alternative day.

Day / Time	Group A	Group B
1 <sup>st</sup> Day 10.30 am to 2.00 pm	Inorganic Exercise	Organic Exercise
2.30 to 6.00 pm	Organic Exercise	Inorganic Exercise
2nd Day 10.30 am to 2.00 pm	Analytical Exercise	Physical Exercise
2.30 to 6.00 pm	Physical Exercise	Analytical Exercise

If the number of students are less or more, please arrange them accordingly.

\* IN THE ORGANIC PREPARATION, IF THE EXAMINER FEELS THAT MORE TIME SHOULD BE GIVEN TO THE CANDIDATES, THEN AFTER RECESS ALSO THEY CAN CONTINUE THEIR WORK, AND ANSWER SHEET OF THE SAME CAN BE COLLECTED AT THE END OF THE DAY.

\* The examiners are requested to start all the exercises at their proper timings.

\* Normal batch of about 30 candidates is to be divided into two groups. If the number is less or more, please arrange them accordingly.

\* For all practical examinations, the candidate should present at least 15 minutes before the commencement of the examination.

\* The candidates should bring a certified journal, practical book (containing no data or result), platinum wire etc with them.

**Entry of marks:**

Entry of the marks in the distribution form and mark sheet should be as flows:

Exercise	Practical 25 Marks	Viva 05 Marks	Journal 05 Marks	Total 35Marks
Inorganic (Mixture)				
Organic (Preparation & Estimation)				
Physical (kinetic & Instruments)				
Analytical (Ca <sup>+2</sup> & Mg <sup>+2</sup> )
