 - Best ICT Initiative in Education Sector
 - Best ICT Initiative in Public Sector Gujarat
 - Best ICT User Enterprise
 - Best ICT User MSME

BE HEARD, BE THERE @ VIBRANT GUJARAT TECHNOLOGY SUMMIT 2018

THE 3 CRORE GRAND CHALLENGE

The Grand Challenge is an initiative to bring together a community of change-makers who can harness science, technology, and innovation to solve challenges of national or global importance. It seeks to engage innovators from around the country to solve far-reaching issues facing our society today, and aims at fostering innovation, supporting innovators in areas where they will have the most impact.

The Challenge would be open to all and to encourage participation, entries would be allowed in English, Hindi as well as Gujarati. Applications are invited for any of the below mentioned 3 levels:

Level 1: Idea Stage

The applicant should have completed a technical validation of their product or service either by research or by virtual prototyping and shall have a socially beneficial solution. You should also have a business plan to demonstrate that this solution will be viable in the market.

Level 2: Blooming Stage

The applicant should have a product or service which has already been developed and can be applied to answer the Problem Statement within each Theme. The applicant must be able to demonstrate an operational model in real world conditions with a prototype made and some initial field trials conducted. The startup should be in existence for 0 - 6 months. Basic customer or user feedback would be a bonus.

Level 3: Scale-up Stage

The applicant should have commercialized the product and must have done market trials and have substantial positive customer feedback and must have some initial revenue generated, proving the price point. The startup should be generating the revenue for more than 6 months to 2 years. The applicant must demonstrate that the product or service proposed can be scaled in the market.

STARTUP WORKSHOPS

- Investors Masterclass
- Cloud Computing
- Intellectual Property
- National Stock Exchange
- Design Thinking
- Investor Pitching Workshop
- AWS & Architecture for Start-ups

MASTERCLASSES

- Building Blocks of Sustainable Startup Ecosystem: Global Perspectives
- The Magic of Failure / The Power of Second Chances
- Financial Wisdom for Startups
- Innovation Management
- Marketing Metrics and Branding for Startups
- Support Framework for Startups
- Nurturing Sustainable and Inclusive Startups

How would the winners be selected?

The top 25 winners in the Idea stage and the top 3 winners in Blooming stage will be selected and informed through email on 28th September 2018 and the Awards will be presented on 12th October 2018.

The top 64 entries in the Scale-up stage will be shortlisted and informed through email by 28th September 2018. Each contestant in Scale-up stage would then pitch their Idea in front of the jury panel on 11th Oct 2018, who will then select the winners and further top 16 will pitch in front of Super Jury on 12th October 2018 for the Top 4 Prize Money Awards and the other 12 contestants will receive the consolation prize.

What are the Grand Challenge Sectors?

Entries in all the three levels will be accepted in the following 8 categories.

- AgriTech
- FinTech
- Smart & Shared Mobility
- Women Centric Solutions
- Manufacturing 4.0
- Governance 2030
- Maritime & Military Intelligence
- HealthTech

Scale-up Stage
