About the University

Shri Govind Guru University (SGGU) is a premier academic and research University which has driven new ways of thinking since its foundation in 2016, established by the Government of Gujarat vide Gujarat Act No. 24 of 2015. Today, Shri Govind Guru University is an intellectual destination that draws inspired scholars to its campus, keeping SGGU at the nexus of ideas that challenge and change the world. SGGU is a State University with 142 affiliated colleges in its fold operating across the state of Gujarat through its FIVE districts at Panchmahals, Mahisagar, ChhotaUdepur, Dahod and Vadodara(Rural). The University caters to the fields of Arts, Commerce, Science, Law, Medical and Paramedical. The University has about 90,000 students enrolled in a various number of Under Graduate, Post Graduate and research programs.

The university is primarily for higher education, research, innovations, and development. It also aims at creating new knowledge, sharpening vocational skills, and developing appropriate attitudes among the promising young generation for the reconstruction of the society based on the highly cherished ideals of the functional democracy. The university is committed to providing quality oriented - meaningful education to the youth for their present academic needs and for their bright future.

Panchmahal district where the University is located has 70.99% literacy rate (5th lowest) and female literacy rate is 58.89% (3rd lowest). There are very less number of Institutions in University jurisdiction in comparison with other districts of Gujarat. In order to facilitate the students of this tribal belt, this University has been incepted.

About the Seminar

The education in our country has witnessed tremendous expansion in last one decade. However, the standard in education has been eroded by rising tides of weakness. There is an urgent need to initiate an academic exercise aimed at attaining revamping of curriculum, keeping in pace with current and emerging trends in the field of research and development, Unfortunately all these years, enough emphasis was not laid on strengthening the components of Historical research, Evolution in Traditional Methodology, while designing curriculum at UG and PG degree levels of teaching. The world of today is undergoing rapid social economic, political and technological advancement. In this regard, Education as a technical and professional field is undergoing globalization.

The National Seminar is aimed for motivating the academicians and young researchers to achieve quality in education. The speakers are well renowned and great expertise in their respective fields. The topics of discussions are adapted in such a way to focus the most critical aspects of Scientific Writing; Writing of thesis and Research Paper- A Skill. The seminar will provide a platform for interaction between students, researchers, academicians.
